Authorization for this examiner's amendment was given in a telephone interview with Ira Lee Zebrak on December 6, 2005.

The application has been amended as follows:

cancel claims 1-16.

The following is an examiner's statement of reasons for allowance:

Claims 1-16 are considered properly rejected based on current Office practice of broadly and reasonably construing claims in light of the specification but claims 17-33 are considered allowable over the prior art. Applicants' representative and examiner agreed to pass the allowable claims to issue and cancel claims 1-16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
